(on the plane)

NICK

(with British accent)

Do you mind if I sit here? I need to get some work done and there's some drunk people at the back of the plane singing at the top of their lungs.

DIANE

No... Of course. I'm Diane.

NICK

Nick. How are you doing?

DIANE

I'm worried about someone. He was flying today. I just wish there was some way to tell him where I am.

NICK

Newfoundland — no, you know that — you just can't tell him. Right. I'm hoping you're one of those people who laughs when English people say awkward things.
